Our responsibility is to issue a report, based on our examination, to the General Meeting regarding whether the guidelines have been complied with. The examination has been performed in accordance with FAR's recommendation RevR 8 *Granskning av ersättningar till ledande befattningshavare i aktiemarknadsbolag* (Examination of Remuneration to Group Executive Management in Listed Companies). Those standards require us to comply with the ethical requirements, and also to plan and perform the examination in such a manner that we may obtain reasonable assurance about whether the guidelines on remuneration have been complied with. We are independent of Odd Molly International AB (publ) in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

The examination has covered the company's organization and documentation of issues concerning remuneration for Group Executive Management, new decisions concerning remuneration, as well as a selection of the financial year's payments to Group Executive Management. The procedures selected depend on the auditor's judgement, including the assessment of the risk that the guidelines have not, in all material respects, been complied with. In making this risk assessment, the auditor considers internal control relevant to the company's compliance with the guidelines in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

We believe that our examination provides a reasonable basis for our conclusion.
