

Logistea recruits Maria Kruse as Head of Sustainability and IR

Logistea AB (publ) has recruited Maria Kruse as Head of Sustainability and IR and member of the Group Management.

Maria Kruse, currently Director Corporate Communication & Investor Relations at listed Sobi, will take up the role of Logistea's Head of Sustainability and IR no later than April 2022.

Maria holds a MSc in Business Administration from Uppsala and Stockholm University and is a Certified Financial Analyst from the Swedish Financial Analysts Association. Maria has a background as a journalist at Affärsvärlden (Swedish business paper), Senior Consultant in sustainability and IR at Kreab and as Communications Manager at the Swedish Ministry of Enterprise unit for state-owned companies. She has also worked with communication, sustainability, and corporate governance at the public pension fund First AP fund (Första AP-fonden), as Press Officer at the Swedish Ministry of Foreign Affairs and with communication within several UN units.

"Logistea has a clear goal of contributing to the UN's 2030 Agenda and thus acting to support a sustainable society and protect the environment. Sustainability is an integral part of Logistea's business strategy and Maria Kruse will have an important role in working with other employees to drive the company's development in these areas while at the same time her role will be central to continuing to develop the company's investor relations," says Niklas Zuckerman, CEO of Logistea.

In 2021, Logistea has established a framework for sustainable financing and issued unsecured bonds totalling SEK 500 million. The company's green assets can be found in ongoing development projects in the Swedish locations Kungsbacka, Kungälv and Vaggeryd.
